THE GAUNTLET...1966

Marian High School

Imperial Beach, California Volume 2

FORWARD:

THE GAUNTLET 1966

With graduation every Marian Crusader of '66 faces the Frontier of his own personal future. Will he have the courage of a Daniel Boone, the fearlessness of Lewis and Clark, the undying spirit of a Father Serra? It is our most cherished hope that the principles that have been presented to them during their days at Marian will spur them onward. It is our fondest wish that the ideals that have been taught them at Marian will stimulate them to push on to greater glories. It is our constant prayer that the Frontiers of their Future will be inspired by God's choicest blessings and Mary's unwavering intercession.

Class of '66, we of the Marian Administration and Faculty are proud of you. May it be always thus. God bless you!

SENIOR PROPHECY

The year is 1986. What we see reflects well on that vintage crop of seniors who graduated from Marian twenty years earlier. For instance, we see

reporter John McKeller of The Daily Planet interviewing noted admiral and amateur astronaut Douglas Veling. The Admiral voiced his plans to construct the first submarine fleet to navigate the Martian canals. Admiral Veling had decided to place career navyman Boatswains Mate First Class James Abraham as commander-in-chief. That faithful worker Richard Walker meticulously scrubbing the windows of the aquarium at Scripp's so that the distinguished oceanographer Bill Woods may observe the diflagellation of *Cynoscion nobilis* (The crabs eat their breakfast).

Peggy Milton, the famous starlet doing her act at that famous new nightclub, the Perales-a-Go Go, with the accompaniment of Marie Montiel's hot sax.

Mina Rutkowski diligently reading a book entitled "How to Choose a Vocation", since she is still undecided.

Professor Lawrence Cummings, famous for his famous youth formula, promenading down Washington Square with his young, YOUNG wife.

Noted psychiatrist Charles Davidosky psychoanalyzing Margie Reyes to find out why she joined the Peace Corps.

Architectural engineer Tom Leonard planning construction of the Marian High School gym proposed in 1963.

Research chemist Barbara Choate trying to produce a new cleaning agent from sodium and beet juice, while mathematician Cathy Ursettie proves its mathematically impossible.

Nurse Patsy Wickens treating the above devotees of science for multiple lacerations, contusions, and abrasions suffered when formula exploded.

John J. O'Neill playing end for U.S.C.'s football team.

Forest Ranger Howard Mees issuing Bob Durham a burning permit on his Texas cattle ranch, while aviatrix Peggy O'Neill dusts his cotton crop.

The San Francisco Giant's Bob Hill hitting what he thought was his 500th home run, only to discover that umpire Danny Tello had called him back for spitting on his bat.

Famous bullfighter Ross Leeper being treated for injuries by Dr. Susan Bajo, while veterinarian Michael Hasegawa fixes up the bull.

Policeman Gerald Quesnell arresting off-duty policewoman Patricia Haas for speeding, while she reciprocates and issues him one for littering.

Ambassador Peter Zdunczyk asking Consul Piti Ortiz for asylum, while she calmly informs him that Tijuana doesn't have one.

Time-Life editor John Poole helping his eighteen year old daughter with the Senior Prophecy.

Pamela Gilliam accepting the job of social director on the Coronado Ferry, while the next day the McCormack Construction Company completes the bridge.

Mayor James Shadoan of Imperial Beach cutting the ribbon on the Imperial Beach yacht harbor.

General Edward Yandall signing a treaty with tribal chieftain Junior Yandall for the liberation of Samoa.

Interpreter Olivia Reyes interpreting the acceptance speech of Senor Dennis Downs, the new mayor of Tijuana, into North Vietnamese.

An invasion of clothes moths nearly running tuxedo dealer David Ramm out of business, when exterminator Richard Brown comes to the rescue.

Runner-up Joan Stanton accepting the Miss America award, after a certain boy modestly declined it.

Mary Ann Babic accepting the post of Secretary General of the United Nations, while suddenly the rest of the world declares war on the U.S.

American Astronaut Commander David Monschien having his space capsule impounded by Admiral Sergio Pereira of the Brazilian Navy, for fishing within twelve mile limit.

Barbara Nagengast graduating from Judy Hodgson's Beauty College with a degree in calculus.

P.G.A. professional Joe Garry holing out the 350 yard seventh at Torrey Pines with his divot, while the ball remained on the tee.

The writer of this column, x x x x x x x x x, receiving the nobel prize in literature.

Noted dignitaries Suzanne Soppe, Jeff Bender, Carol Blackington, Richard Brown, John Buscher, Mary Casillas, Claudio Cabrera, Francisco Concha, William Daley, James Daly, Grace Garcia, Cecilia Gessenius, Rebecca Montano, Peter Fox, Evelyn Kozlowski, Linda Sykes, Gregory Stuart, Henry Velasco, and many, MANY others angrily storming Scripp's in protest of yours truly, xxxxx, who fiendishly omitted their names from Pulitzer prize winning column entitled "Senior Prophecy, 1966".

A.S.B. Secretary Piti Ortiz adds that extra flare to the A.S.B. Office. Our "petite bundle of pulchritude" extends her unending charm to any of her many duties and extra - curricular activities.

A.S.B. Treasurer Oscar Parra has taken up the financial assets of Marian in a more than able way. Besides keeping in touch with all organizations, Oscar finds time for Varsity baseball.

1965 SEASON

The Crusaders experienced a very disappointing season considering the effort and many hours of hard work that they put in. Injuries to key players, Howard Mees and John Warner, seemed to cause the team to lose some of the initiative and optimism which characterized two-thirds of their season.

Marian opened up her season with a fierce battle at Calexico. The Bulldogs came out on top 13 to 0 as the Crusaders made too many miscues to win. Their next endeavor was against Webb, the eventual Los Angeles class A CIF champs. The Crusaders grabbed a 13 to 6 third quarter lead but let it slip away as Webb rallied for two fourth quarter touchdowns to down Marian 20 to 13.

Following a 35 to 0 whitewash by gridiron powerhouse University, the Crusaders took on L. A. Lutheran in a home encounter. Marian tied matters up twice, but Lutheran scored two third quarter tallies to take the contest 27 to 19.

During the fifth week of competition, Marian began her Palomar League schedule with an 18 to 6 loss at the hands of Poway. After obtaining a quick first quarter lead, the Crusaders went down to defeat as the Titans compensated with three second period scores.

The season highlight came in Marian's homecoming game against Ramona. The Crusaders tallied the first

four times they had the pigskin and went on to score an overwhelming 37 to 7 triumph. This evened her league record at 1-1 as the Crusaders travelled to Carlsbad to take on the always tough Army-Navy Academy. There the Cadets overpowered Marian 21 to 7.

For the second consecutive week, the football team ventured to Carlsbad, but this time to take on the eventual league champion, Carlsbad High. The Crusaders fought admirably but the Lancers' quick and elusive backs were too much for Marian as Carlsbad triumphed 21 to 7. The Crusaders then concluded her season on her home field with a dismal 41 to 7 loss at the hands of San Marcos. The defeat put Marian's final record at 1-8.

Things are not as glum as they may seem. The coaches are highly optimistic in regard to next year's football season. There will be twelve returning lettermen and a winning junior varsity to help out.

Individual players who stood out for the Crusaders this year were all-league selections Jim Abraham, Bob Maruca, Ross Leeper, Jaime Miranda, Doug Veling, and Dennis Seely. More talent was displayed in the likes of Mike McCormack, Pete Zdunczyk, Gerald Quesnell, Dennis Fortier, John Warner, and Bill Woods.

The Marian High Basketball team, her best ever, experienced a very productive and impressive season on the hardwood. Besides finishing second in the Palomar League, the Crusaders won the La Jolla Country Day Invitational Tournament and achieved the school's first victory in the Kiwanis Tournament by defeating Escondido 58 to 55. The Crusaders compiled a league record of 6-4 and an overall record of 14-7.

Like the varsity, the J.V. experienced a very successful season. High points of the year were the pre-season victories over Coronado and Sweetwater and a second place finish in the league.

As usual the J.V. had its share of players who promise to be varsity performers next year. Among those were Mike Durham and Bob Larkin, both of whom were juniors. From the sophomore class, Tom Stuart, Bruce French and Terry Daly seem like potential varsity players.

SEASON PLAY

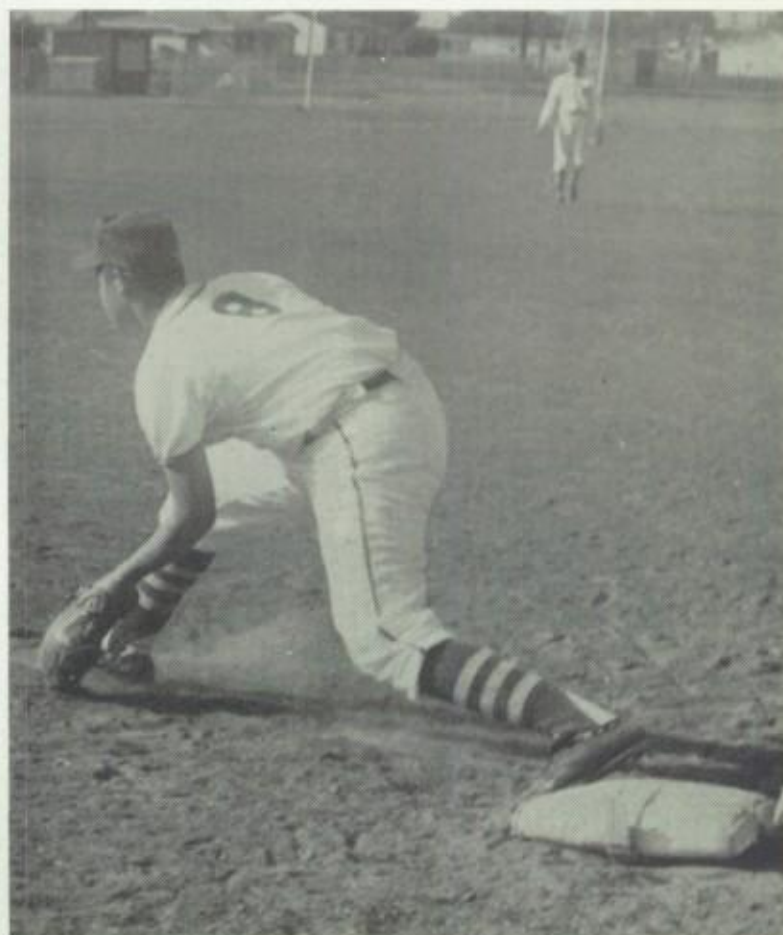

Although this years JV was not as prosperous in actual won-loss record as previous teams, its amount of player potential was greater than ever before. This team boasted ten freshmen out of sixteen members and was still able to sustain a league record of 8 wins and seven losses.

Standouts on the team were Richard Ortiz, Dennis Ramm, Bill Denton, Anthony Tello and Cary Driscoll.

Their overall record was nine wins and losses.

The outcome of this years track season was about the same as previous years. Although their record was only average, as far wins and losses are concerned, the quality of the team was far superior than in years gone by. A total of six school and one league records were broken by this track contingent. The new records set were: A 100 yard dash, 10.3 sec. by Howard Mees; B 100 yard dash, 10.2 sec. by George Gonzales; A 880 yard run, 2:06.4 by Dave Ramm; A Shot Put, 45 ft. 4 in. by Bill Woods, A Relay Team (Howard Mees, Bob Maruca, Ronnie Ament and Jim Abraham) and A 2 Mile, 10:20.4 by Tom Brocato. Tom also set a new league mark in the 2 Mile of 10:33.6. As for the future, the team is losing its top dash man in Howard Mees, its best Shot Putter in Bill Woods and a good middle distance man, Dave Ramm. Although the loss of these men will hurt, the slack should be ably taken up by likes of George Gonzales, Dennis Seely, Bob Maruca, Tom Brocato and Dan Padilla.
